Mid-Atlantic Equine Medical Center, a large referral hospital in Ringoes, NJ, is looking to hire college students for a paid summer internship. We are seeking reliable students with some horse handling experience, an interest in the veterinary profession, and a desire to be a part of our team. If you are looking to apply to veterinary school, become a veterinary technician, or aren't sure what you want to do but you like working with horses… this is a great opportunity to get some experience in the field! The length of employment is flexible based on the dates of your summer break. Job responsibilities would include, but are not limited to, assisting doctors and technicians with procedures/treatments/examinations, the general care of our hospitalized patients, as well as restocking and cleaning the hospital exam rooms.
