

LARRY S. KATZ

Rutgers University
Animal Sciences Department
84 Lipman Drive
New Brunswick, NJ 08901-8525

Phone: 848-932-1946
LSKatz@Rutgers.edu

EDUCATION

Ph.D. Animal Behavior, University of California at Davis
M.S. Reproductive Physiology, Cornell University
B.S. Animal Science, Cornell University

EXPERIENCE

Professor Emeritus, Rutgers University, New Brunswick, NJ, 2020 to present
Professor, Rutgers University, New Brunswick, NJ, 2009 to 2020
Senior Associate Director, NJ Agricultural Experiment Station, 2009 to 2018
Director, Rutgers Cooperative Extension, 2008 to 2018
Chair, Animal Sciences, Rutgers University, 2002 to 2008
Acting Chair, Animal Sciences, Rutgers University, 2001 to 2002
Associate Department Chair, June 1, 2001 to Oct 15, 2001
Associate Professor, Rutgers University, New Brunswick, NJ, 1995 to 2009
Assistant Professor, Rutgers University, New Brunswick, NJ, 1989 to 1995
Research Physiologist, University of California at Berkeley, 1986 to 1989
Post-Graduate Researcher VI, University of California at Davis, 1985 to 1986
NIH Post-Doctoral Training Fellowship in Reproductive Biology, Colorado State University,
Fort Collins, 1984 to 1985

FIELDS OF RESEARCH SPECIALIZATION

Behavior of Domestic Animals
Reproductive Biology
Behavioral Endocrinology

PROFESSIONAL SOCIETIES

American Association for the Advancement of Science
American Society of Animal Science
Animal Behavior Society
Council for Agricultural Science and Technology
International Society of Applied Ethology
Sigma Xi, The Scientific Research Society
Society for Behavioral Neuroendocrinology
Society for the Study of Reproduction

AWARDS

Friend of 4-H Award, New Jersey Association of 4-H Agents, 2019.
Senior Farewell Speaker, invited by the School of Environmental and Biological Sciences
graduating Class of 2011
Service Award, Graduate Program in Endocrinology and Animal Biosciences, 2008
Outstanding Teacher Award, Cook College Leadership Committee on Teaching and
Advising Excellence, 2007
Nominee, Research Mentor of the Year, Aresty Research Center, Rutgers University, 2007
Outstanding Teacher Award, Cook College Leadership Committee on Teaching and
Advising Excellence, 2005
Outstanding Teacher Award, Cook College Leadership Committee on Teaching and
Advising Excellence, 2002
Outstanding Teacher Award, Cook College Leadership Committee on Teaching and
Advising Excellence, 2000
Cook/NJAES Team Award, Wildlife Damage Control Center, 2000
Outstanding Teacher Award, Cook College Leadership Committee on Teaching and
Advising Excellence, 1998
Outstanding Undergraduate Advisor, Cook College Academic Professional Excellence
Awards, 1998
Outstanding Teacher Award, Cook College Leadership Committee on Teaching and
Advising Excellence, 1996
Senior Farewell Speaker, invited by the Cook College graduating Class of 1994
Faculty Appreciation Award, Rutgers' Latin American Student Organization, 1992
NIH Post-Doctoral Training Fellowship in Reproductive Biology, Colorado State University,
1984 to 1985

SCHOLARSHIP

GRANTS AND CONTRACT SUPPORT

External

Stavros Niarchos Foundation- Recharging the Youth: New Agriculture for a New Generation,
co-P.I., Phase 1: 2015-2016, ~\$2.1 million; Phase 2: 2017-2020, \$27.5 million
Johnson & Johnson-New Brunswick Community Farmers' Market, 2009 to 2018, co-P.I.,
approximately \$125,000 per year
NJ Division of Fish, Game and Wildlife, 2001 to 2003, \$75,000
NJ Department of Agriculture, 2000-2001, \$200,000
NJ Division of Fish, Game and Wildlife, 1998 to 2000, \$60,000
Repellex Protection Systems, 1998-1999, \$1,000
Green Rabbit Botanicals, 1997-1999, \$2,000
Princeton Polymer Laboratories, 1996, \$2,000
Deer-Off Company, 1996, \$900
NJ Division of Fish, Game and Wildlife, 1995 to 1997, \$60,000
American Farm Bureau Research Foundation, April 1994 to Mar 1997, \$56,000
United States Department of Agriculture, APHIS/ADC/DWRC, 1991 to 1994, \$139,998
Sandoz Research Institute, November 1990, \$2,000

GRANTS AND CONTRACT SUPPORT (continued)

University

NJAES Special Initiative Funds, 1994-1999, \$82,000

Biomedical Research Support Grant, 1990 to 1991, \$2,253

Research Council, 1989 to 1990, \$3,000

INVITED INTERNATIONAL SYMPOSIUM PRESENTATIONS

1. "Bioterrorism, Ecoterrorism and Animal Rights" National Poultry Extension Workshop, Ninety-fifth Annual Meeting of the Poultry Science Association, University of Alberta, Edmonton, Canada, July 16, 2006
2. "A Role for the Liver in the Luteotropic Action of Prolactin in Rats". Assisted Reproductive Technology/Andrology and Molecular Andrology Conference. Alicante, Spain, July 1993

INVITED NATIONAL SYMPOSIUM AND WEBINAR PRESENTATIONS

1. "Deer Reproduction Management" Integrated Approaches to Deer Management. EPA Integrated Pest Management Webinar, Feb 9, 2021.
2. "Reproductive control in wildlife: Is it a viable management tool?" Nonlethal Approaches to Wildlife Damage Management: Promise, Potential, Reality. The Wildlife Society, Nashville, TN, September 2000
3. "Continuous administration of a gonadotropin-releasing hormone (GnRH) agonist inhibits luteinizing hormone (LH) secretion in female white-tailed deer." Contraception in Wildlife Management. Colorado State University, Denver Tech Center, Denver, CO, October 1993
4. "Mid-Gestation White-tailed Deer are Resistant to the Abortifacient Properties of Prostaglandin- $F_{2\alpha}$ ($PGF_{2\alpha}$)." Contraception in Wildlife Management. Colorado State University, Denver Tech Center, Denver, CO, October 1993
5. "Sexual Behavior of Farm Animals". Reproduction in Farm Animals: Science, Application and Models. Cornell University, Ithaca, NY, August 1992

BOOK CHAPTERS and SYMPOSIUM PROCEEDINGS

1. **Katz, L.S.** 2018. "Animal Experimentation": Animals Medicine and Research. In: Animals and Human Society. Scanes and Toukhsati [eds.}. Academic Press, pp. 325-329.
2. Mench, J., Newberry, R., Millman, S., Tucker, C. and **Katz, L.S.** 2010. Environmental Enrichment. In: Guide for the Care and Use of Agricultural Animals in Agricultural Research and Teaching, 3rd edition. Federation of Animal Science Societies, 30-43.
3. Becker, S.E. and **Katz, L.S.** 1999. A Case Study of Malignant Catarrhal Fever in Captive White-tailed Deer. The North American Deer Farmer, Late Summer 1999:11-12, 24.
4. Benson, M.E., Hinds, F.C., Johnson, D.W., **Katz, L.S.**, Menzies, C.S., Williams, C.S.F., and Wolf, C.B. 1999. Sheep and Goat Husbandry. In: Guide for the Care and Use of Agricultural Animals in Agricultural Research and Teaching. Federation of Animal Science Societies, 67-71.

BOOK CHAPTERS and SYMPOSIUM PROCEEDINGS (continued)

5. Becker, S.E. and **Katz, L.S.** 1997. Gonadotropin-releasing hormone (GnRH) analogs or active immunization against GnRH to control fertility in wildlife. In: Kreeger, T.J., tech. coord. Contraception in Wildlife Management. Tech. Bull. 1853. Washington, D.C.: U.S. Department of Agriculture, Animal and Plant Health Inspection Service: 11-19.
6. Mason, J.R., Bean, N.J., **Katz, L.S.** and Hales, H. 1997. Development of a bait for the oral delivery of pharmaceuticals to white-tailed deer (*Odocoileus virginianus*). In: Kreeger, T.J., tech. coord. Contraception in Wildlife Management. Tech. Bull. 1853. Washington, D.C.: U.S. Department of Agriculture, Animal and Plant Health Inspection Service: 59-67.
7. **Katz, L.S.** 1987. Endocrine systems and behavior. Veterinary Clinics of North America: Food Animal Practice 3:393-404.

OTHER PEER-REVIEWED PUBLICATIONS

1. **Katz, Larry S.** Behavior: Reproductive. 2010. In: Encyclopedia of Animal Science, 2nd edition; Pond, Wilson G., Bell, Alan W., Eds.; Marcel Dekker, Inc.: New York.
2. **Katz, Larry S.** Behavior: Reproductive. 2004. In: Encyclopedia of Animal Science; Pond, Wilson G., Bell, Alan W., Eds.; Marcel Dekker, Inc.: New York.

INVITED SEMINARS

1. "Animal Domestication". Keynote Address. Pet Care School. Rutgers Office of Continuing Professional Education. New Brunswick, NJ Oct 2018.
2. "Sources of Variation in Male Reproductive Behavior: Why Some Males are Studs and Some Males are Duds". Department of Biomedical Sciences, Colorado State University, Fort Collins, Dec 2006.
3. "Fighting for objectivity and balance in advancing animal well-being". Diverse Voices in Agriculture: a series of educational seminars. Jamie L. Whitten Administrative Building for the US Department of Agriculture, Washington, D.C. Apr 2005
4. "Reproductive Control in Deer Population Regulation". Bucks County Conservation District in cooperation with the Bucks County Planning Commission, Bureau of Forestry, Heritage Conservancy, Natural Resources Conservation Service, and Pennsylvania State University, Deer & Forest Health, Point Pleasant, PA. Mar 2001.
5. "Animal Use in Academia and Agricultural Research". Inspecting the Process: A Collaborative Approach to Improving Animal Care. A Model Education Symposium jointly sponsored by NJ Association for Biomedical Research, PA Society for Biomedical Research, and USDA Animal Care. Plainsboro, NJ. Dec 1999.
6. "New Jersey and Deer: Perfect Together". Wyeth-Ayerst Research, Princeton, NJ, Sep 1999.
7. "Safety and Effectiveness of Wildlife Repellents". New Jersey Annual Vegetable Meeting, Atlantic City, Jan 1999.
8. "New Jersey and Deer: Perfect Together". Rutgers Graduate Program in Ecology, Nov, 1998.
9. "GnRH immunocontraception in white-tailed deer". Morris County Parks Commission, Wildlife Forum, Morristown, NJ, Feb 1998.
10. "Population regulation and carrying capacity". Morris County Parks Commission, Wildlife Forum, Morristown, NJ, Feb 1997.
11. "Contraception as a tool in wildlife management: prospects and impediments." Seeking Solutions to Wildlife Damage. A Workshop/Seminar, Clinton, NJ, Mar 1996.
12. "Deer Management Research in New Jersey - Overview of the Status of Immunocontraception Research". Deer Damage Management for Landscape Professionals, Frelinghuysen Arboretum, Morristown, NJ, Oct 1995
13. "Contraception as a Management Option." Deer in the Urban Forest: Impacts and Options, Center for Urban Forestry at the Morris Arboretum of the University of Pennsylvania, Apr 1995.
14. "Alternative Strategies to Controlling Populations of White-Tailed Deer" Northeast Regional Meeting, American Association of Botanical Gardens and Arboreta, Frelinghuysen Arboretum, Morristown, NJ, Sep 1994.
15. "Fertility control as a means of reducing deer populations." Department of Natural Resource Management and Applied Ecology, Rutgers University, 1994.
16. "Fertility Control of White-tailed Deer" Princeton Deer Committee, Princeton, NJ, Oct 1993.
17. "Prolactin, Photoperiod and Sexual Behavior in Sheep and Goats" Department of Animal Science, Pennsylvania State University, State College, PA, Oct 1993.

INVITED SEMINARS (continued)

18. "Fertility Control of White-tailed Deer" NJ Wildlife Management Committee, Bernardsville, NJ, Feb 1993.
19. "Fertility Control of White-tailed Deer" Department of Biological Sciences, East Stroudsburg University, East Stroudsburg, PA, May 1992.
20. "Fertility Control of White-tailed Deer" New Jersey Agricultural Experiment Station Extension Program on Animal Damage Control, New Brunswick, NJ, April 1992.
21. "Fertility Control of White-tailed Deer" New Jersey Wildlife Society, Assunpink Wildlife Management Area, NJ, Jan 1992.
22. "Liver Mediated Regulation of Reproduction". The Graduate Program in Physiology and Neurobiology Seminar, Rutgers University, March 1991.
23. Hypothalamic aromatase activity and neuroendocrine function in the prepubertal bull. Graduate Group in Endocrinology, University of California, Berkeley, 1987.
24. Development of sexual behavior in the bull. Graduate Group in Endocrinology, University of California, Berkeley, 1986.
25. Endocrine influences on reproductive behavior in male and female domestic cattle. Western Psychological Association, California State University, Sacramento, April 1982.
26. Current research on endocrine and olfactory influences on reproductive behavior in cattle. West Coast Conference on Sexual Behavior, Stanford University, Palo Alto, California, Nov 1981.

TEACHING

Undergraduate Courses

1. Companion Animal Science, 11:067:250 (3 cr) 75 students/yr. Responsibility: 100%, Spring 2008, Fall 2019 and Spring 2020; course creator.
2. Laboratory Animal Sciences: Management and Techniques, 11:067:275 (3 cr) 40 students/yr. One semester annually. Responsibility: 100%, 1990-2006; 14%, 2007-2019.
3. Animal Science, 11:067:142 (3 cr) 125 students/yr. One semester annually. Responsibility: Course coordinator, 1992-2008; 14%, 1992-2020.
4. General Biology, 01:119:102 (4 cr) 800 students/yr. One semester annually. Responsibility: 20%, 1992-2008.
5. Animal Reproduction, 11:067:327 (3 cr) 130 students/yr. One semester annually. Responsibility 25%, 1990-present; 90%, 2001 and 2002.
6. Livestock Production and Management I and II and labs, 11:067: 335 (3 cr) 18 students/yr. One semesters annually. Responsibility 7%, 1997-present.
7. Research in Animal Sciences/Animal Science Problems, 11:067:493,494 (1-3 cr) 40 students/yr. Two semesters annually. Responsibility 100%, 1989-present.
8. Laboratory Animal Practicum, 11:067:205 (2 cr) 12 students/yr. Two semesters and summer sessions annually. Responsibility: 100%, 1992-2008.
9. The Use of Animals in Contemporary American Society, 11:015:275 (1 cr) 20 students/yr. One semester annually. Responsibility: 100%, 1991 to 1996.

Independent Research in Animal Science

Between spring 1995 and spring 2020: More than 950 students

Cooperative Education Program

1989 - 2007: sponsored 131 different students in 158 cooperative education experiences

Graduate Courses

1. Physiology of Reproduction, 16:761:545 (3 cr) 8 students/yr. One semester biannually. Responsibility: 33%.
2. Current Principles in Animal Science, 16:067:501 (3 cr) 15 students/yr. One semester biannually. Responsibility: 7%.
3. Topics in Animal Behavior, 16:067:615 (2 cr) 12 students/yr. One semester biannually. Responsibility: 50%.
4. Recent Advances in Animal Reproduction, 16:067:612 (2 cr) 8 students/yr. One semester biannually. Responsibility: 33%.
5. Mammalian Physiology, 16:761:502 (3 cr) 15 students/yr. One semester annually. Responsibility: 16%.

Graduate Students

Supervisor/ Committee Chair

1. William Fritz, Ph.D., Endocrinology and Animal Bioscience, 2017
“Self-enurination in the domesticated male goat (*Capra hircus*)”
2. Kristy Longpre, Ph.D., Endocrinology and Animal Bioscience, 2011
“Female mate choice in the domesticated goat (*Capra hircus*):
current understandings and implications.”
3. Andrea Sweeney Haulenbeek, Ph.D., Endocrinology and Animal Bioscience, 2009
“Partner preference and sexual performance in male goats (*Capra hircus*)”
4. Mary Margiasso, M.S., Animal Science, 2006
“Use of a Y-maze to assess partner preference in female goats”
5. Michele M. Marino-Nichols, M.S., Animal Science, 2006
“An optimal dose of testosterone for activating sexual behaviors in
ovariectomized goats during the breeding and nonbreeding seasons”
6. Meagan Shearer, M.S., Animal Science, 2004
“Female-female mounting among goats stimulates sexual performance in males”
7. Jill A. Lindia, M.S., Animal Science, 2004
“The role of estrogen and androgen mediated pathways in female
French-Alpine goat sexual behavior”
8. Kimberly A. McMunn, M.S., Animal Science, 2001
“Testosterone facilitation of sexual behavior in castrated, sexually inexperienced
goats”
9. Daniela Maina, Ph.D., Animal Science, 1999
“Male sheep sexual performance: Investigations of the effect of social cue
transmission and the search for a behavioral role for systemic oxytocin”
10. Heather Billings, Ph.D., Animal Science, 1998
“Effects of season and photoperiod on progesterone- and estradiol-induced sexual
behavior in goats”
11. Debra H. Kaplan, M.S., Animal Science, 1994
“Constant photoperiod affects behavioral and endocrine responses of
ovariectomized goats to estradiol treatment”
12. E. Gloria C. Regisford, Ph.D., Animal Science, 1994
“Prolactin and the regulation of reproductive function in the ram (*Ovis aries*)”

Graduate Students (Committee Member)

1. Tiffany Polanco, Ph.D., Endocrinology and Animal Bioscience, 2011
2. Amy Frankshun, Ph.D., Endocrinology and Animal Bioscience, 2011
3. Joseph Chen, Ph.D., Endocrinology and Animal Bioscience, 2010
4. Karen Santora, M.S., Animal Science, 2005
5. Darcy Medica, Ph.D., Animal Science, 2001
6. Laura Branagan, M.S., Ecology, 2001
7. Jeffrey Klein, Ph.D., Animal Science, 1999
8. Linda Seitz, Ph.D., Ecology, 1997
9. Steven Leili, Ph.D., Animal Science, 1997
10. Jeffrey Klein, M.S. Animal Science 1996
11. Robert W. Gerwein, Ph.D., Ecology 1995
12. Janet L. Wang-Lee, M.S., Ecology, 1995
13. Wei-Lun Hung, M.S., Animal Science, 1995
14. Ann Contijoch, Ph.D., Animal Science, 1995
15. Thushara Chandrasiri, M.S., Animal Science, 1994
16. Susan E. Becker, M.S., Animal Science, 1992
17. Clinton Burgher, M.S., Animal Science, 1992
18. John M. Levorse, M.S., Animal Science, 1992

EXTENSION/OUTREACH

Director of Rutgers Cooperative Extension: July 1, 2008 – June 30, 2018

The chief administrator of Rutgers Cooperative Extension has the title of Director of Extension, with the commensurate authority to operate and coordinate the programs of Rutgers Cooperative Extension, a unit of the New Jersey Agricultural Experiment Station, in the areas of agriculture, resource management, family and community health sciences, 4-H youth development, and marine studies, consistent with School, University, and USDA policies. The Director of Rutgers Cooperative Extension is responsible to the Administrator in USDA for implementation of USDA regulations and policies. The Director of Rutgers Cooperative Extension is responsible to the Director of the New Jersey Agricultural Experiment Station for the implementation of Cooperative Extension and integration with Cooperative Research to ensure that the mission of NJAES is achieved to meet the needs of New Jersey residents. The Director of Extension serves on the Executive Leadership Team of the Executive Dean of the School of Environmental and Biological Sciences.

Prior to role as Director:

Rutgers Cooperative Extension Fact Sheets

1. Grande, J., L.S. Katz, and G. Slifer. "High-Tensile Woven Wire Fences for Preventing Wildlife Damage." RCE Fact Sheet # 889
2. Grande, J., L.S. Katz, and G. Slifer. "Portable Electric Fencing for Preventing Wildlife Damage." RCE Fact Sheet # 888
3. Wohlt, J and L.S. Katz. "Dehorning of Dairy Animals: Necessity, Methods and Implications." RCE Fact Sheet # 769
4. Katz, L.S. "Animal Rights versus Animal Welfare." RCE Fact Sheet # 753

In Service Programs and Workshops Organized

1. Deer Damage Control. Seeking Solutions; A Seminar. Feb 1997
2. Canada Goose Damage. Practical, Effective Solutions. Nov 1996
3. NJ Horse Council Seminar--Animal Rights versus Animal Welfare, Mar 1994
4. In-Service Training-- Animal Welfare, 4-H fairs, and Crisis-Communication, Apr 1994
5. Animal Damage Control - Alternative Methods for Deer Population Control, Apr 1992

Outreach

1. "Reproductive Behavior in Male Goats" 4-H Goat Extravaganza, Hunterdon County Cooperative Extension, Flemington, Jan 2011
2. "New Jersey and Deer: Perfect Together; Reproductive control in wildlife: Is it a viable teaching tool?" NJ Science Teachers Convention, Somerset, NJ Oct 2007
3. "Ecoterrorism and Animal Rights". Philadelphia Society for the Promotion of Agriculture, Philadelphia, PA, Nov 2006
4. "New Jersey and Deer: Perfect Together; Reproductive control in wildlife: Is it a viable teaching tool?" NJ Science Teachers Convention, Somerset, NJ Oct 2006
5. "Reproductive Control in Deer Population Regulation". Crestwood Village Homeowners Association, Whiting, NJ, Sep 2006
6. Suburban deer management. Hillsborough, NJ Township Committee, Hillsborough, NJ Aug 2004
7. "Animal rights versus animal welfare" National Animal Interest Alliance Trust, Edison, NJ, Jun 2004
8. "Biology and Behavior of White-tailed Deer. Hunterdon County Board of Agriculture, Jan 3, 2003
9. "Reproductive Control in Deer Population Regulation". Princeton Township Community-based Deer Management Program, Princeton, NJ Jul 24, 2002

Outreach (continued)

10. "Reproductive Control in Deer Population Regulation". Seminar No. 48 - Deer Research & Management in New Jersey, State House, Trenton, NJ. Mar 2001
11. "Reproductive Control in Deer Population Regulation". Bucks County Conservation District in cooperation with the Bucks County Planning Commission, Bureau of Forestry, Heritage Conservancy, Natural Resources Conservation Service, and Pennsylvania State University, Deer & Forest Health, Point Pleasant, PA Mar 2001
12. Deer contraception status. Somerset County Board of Chosen Freeholders, Nov 2000
13. New Jersey and White-tailed Deer. Celebrate Agriculture: preserving our resources, protecting our future. The Ervin Waters Farm, Mansfield, NJ, June 2000
14. New Jersey Deer. Rotary Club of Pompton Lakes, Apr 2000
15. New Jersey and Deer Perfect Together. Watchung Boro, May 2000
16. Deer damage to agriculture. Hunterdon County Board of Agriculture, Dec 1998
17. Wildlife Damage Control. Growers' Advisory Meeting, Snyder Research Farm, Feb 1998
18. White-tailed deer in New Jersey, Fox 5 News, Feb 1998
19. Methods for controlling white-tailed deer populations. The Smoke Rise Club, Kinnelon, NJ, Jun 1997
20. Methods for controlling white-tailed deer populations. Princeton Agriculture Association, Hopewell, NJ, Jun 1997
21. Methods for controlling white-tailed deer populations. Kiwanis Club, North Brunswick, NJ, Apr 1997
22. Recent Activities and Issues in Animal Rights. NJ Laboratory Animal Veterinarians, Rutgers University, Apr 1997
23. Animals in Research and Education, Rutgers Biotechnology Club, Oct 1996
24. Controlling white-tailed deer populations. Bridgewater Deer Committee, Jul 1996
25. Board Meeting, American Animal Welfare Foundation, Jun 1995
26. Methods for controlling white-tailed deer populations. Union County Parks and Recreation Advisory Board, Jun 1995
27. Animals in Research and Education - Dwight-Englewood High School, Englewood, NJ, Mar, Apr, and May 1995
28. North Jersey Ornamental Horticulture Conference - Landscape Day- Discussed methods for controlling deer in the landscape, Feb 1995
29. Rutgers Cooperative Extension-Master Gardener Field Day - Discussed deer management and control methods, Oct 1994
30. New Jersey Science Convention - Dissecting the Debate - Animals in Instruction, Oct 1994
31. Methods for controlling white-tailed deer populations. Guardians of Woods and Wildlife, Scotch Plains, NJ Aug 1994
32. Board Meeting, American Animal Welfare Foundation, Jun 1994
33. Sponsored information table at Ag-Field Day. Distributed literature on animal care and animal welfare, Apr 1994
34. 4-H Animal Science Committee - Planned In-Service training, Jan 1994
35. 4-H Animal Science Committee - Planned In-Service training, Jan 1994
36. Trinity Presbyterian Church - spoke about animal rights, Jan 1994
37. NJPIRG - spoke to student leaders about the need for animal research and animal agriculture, Oct 1993
38. American Cyanamid - addressed employees about public speaking on the issue of animals in research and testing, Sep 1993
39. "Use of Animals in Biomedical Research". East Brunswick High School, Dec 1993
40. Board Meeting, American Animal Welfare Foundation, Sep 1993
41. Hoechst Pharmaceuticals - spoke to administrators and employees about animal rights and animal welfare, May 1993.

Outreach (continued)

42. Sponsored information table at Ag-Field Day. Distributed literature on animal care and animal welfare, Apr 1993
43. New Jersey Association for Biomedical Research. Introduced to Board of Directors as a contributor to NJABR Speaker's Bureau, Mar 1993
44. Rutgers Office of Research and Sponsored Projects--Media training. Trained administrators in the art of mass media communication, Mar 1993
45. "Use of Animals in Biomedical Research". Raritan High School, Feb 1993;
46. Raritan High School, Hazlet, NJ. Spoke to honors biology students about animal welfare, animal rights, animal agriculture and animal research, Feb 1993
47. Inspection of Hackettstown Livestock Auction for preparation of farm animal welfare guidelines, Jan 1993
48. Meeting at HSUS to plan Rutgers and HSUS joint sponsorship of training program for Animal Control Officers, Jan 1993
49. Debate: Animals in Research. Rutgers, The State University, Dec 1992
50. Televised Debate: Animals in Research. TKR Cable Television, NJ, Oct 1992
51. Board Meeting, American Animal Welfare Foundation, Sep 1992
52. Sponsored information table at Ag-Field Day. Distributed literature on animal care and animal welfare, Apr 1992
53. "Animal Research, Animal Agriculture and the Animal Rights Movement." Ethicon, Inc., Somerville, NJ, April 1992
54. "Animal Rights vs. Animal Research." Editorial Board, New Jersey Law Journal, Princeton, NJ, Jan 1992
55. "Animal Welfare and Animal Rights." National Teen Summit Workshop, Princeton Day School, Nov 1991
56. "Academic Careers in the Animal Sciences." 4-H Action Days Workshop, Rutgers University, Jun 1991
57. "Use of Animals in Biomedical Research". Hopewell Valley Central High School, May 1991;
58. "Use of Animals in Biomedical Research". Rutherford High School, Mar 1991;
59. Sponsored information table at Ag-Field Day. Distributed literature on animal care and animal welfare, Apr 1991
60. "Animal Use in Biomedical Research". North Warren Regional High School, Apr 1991
61. Animal Research. WRSU Radio, Rutgers University, Mar 1991
62. Animal research: It would be immoral to stop. American Fur Industry, Philadelphia, PA, Feb 1991
63. Impact of animal rights on farming. Salem County Board of Agriculture, Nov 1990
64. "Speaking from experience." NJ Association for Biomedical Research Speakers' Training, CIBA-GEIGY, Summit, NJ, Jan 1991
65. Animal research: It would be immoral to stop. American Fur Industry, San Antonio, TX, Oct 1990;
66. Farm Animal Research. NJ branch American Association of Laboratory Animal Science. Whippany, NJ, Oct 1990
67. The Animal Rights Movement. CIBA-GEIGY First US Animal Welfare Workshop. Summit, NJ, Aug 1990
68. Sponsored information table at Ag-Field Day. Distributed literature on animal care and animal welfare, Apr 1990 to 1994
69. Animal research: It would be immoral to stop. American Fur Industry, Atlanta, GA, Feb 1990
70. Organizing a local program promoting the use of animals in research and teaching: Pro-active efforts on and off campus. Society for the Study of Reproduction, University of Missouri, Columbia, 1989

Outreach (continued)

71. Animal research: It would be immoral to stop. American Fur Industry, Pittsburgh, Oct 1989

Educational Resources Developed with the American Animal Welfare Foundation

1. "Animals Around Us" A computer program for pre-literate children, demonstrating the relationship between food, clothing and medicines and the animals from which they are derived.
2. "People, Animals and the Environment" A simulation game for high school students designed to teach students about the relationship between humans and animals. The role-playing environment is modeled after a congressional hearing.

SERVICE

National/Professional Society

Editorial Boards:

1993 to 2021 Applied Animal Behaviour Science
1997 to 2000 *Newsletter Editor* - Society for the Study of Reproduction
1993 to 1996 *Section Editor* - Journal of Animal Science, Environment and Behavior

Offices Held:

2013 to 2018 Member, Budget & Legislative Committee, APLU
2010-2011 Chair, Northeast Extension Directors' Association
2009-2010 Secretary, Northeast Extension Directors' Association
2004-2008 President, Board of Directors, National Animal Interest Alliance
1991 to 2004 Vice-President, Board of Directors, American Animal Welfare Foundation

2000 to 2002 Member, Membership Committee, Society for Behavioral Neuroendocrinology

2000, 2001 Panel member, USDA/CSREES/NRICGP, Animal Health and Well-Being

1996 to 2000 Member, Education Committee, Society for the Study of Reproduction
1995-1997 Member, Sheep and Goat Subcommittee, Consortium for Developing A Guide for the Care and Use of Agricultural Animals in Agricultural Research and Teaching

1994 Member, Program Committee, Society for the Study of Reproduction
1991 to 1994 Chair, Animal Care Committee, Society for the Study of Reproduction
1989 to 2020 Member, USDA NC 1029 (formerly NCR 131) Group in Animal Care and Behavior

1988 to 1991 Co-founder and member Coalition for Animals and Animal Research
1985 to 2020 Ad hoc reviewer for competitive research grants, USDA/CSREES /NRICGP

State

1991 to 2009 Member, Institutional Animal Care and Use Committee, Fort Dodge Company, Agricultural Research Division, Princeton, NJ

1995 to 2007 Advisor to community-based deer committees: Essex, Morris, Somerset, and Union Counties; Bernards, Bridgewater Hillsborough, and Princeton Townships

University

2014 to 2016 Member, Academic Unit Organization Committee
2012 to 2014 Member, Lifelong Learning Education Committee
2011 to 2013 Member, Chronic Disease Initiative Committee
2011 "Reflections on an academic career", presentation to the 26th Annual Luncheon of the Colonel Henry Rutgers Society

2005-2006 Fellow, the Center for the Advancement of Teaching Instructional Technology Teaching Fellows Program

2004 to 2005 Member, Instructional and Research Computing Advisory Group
1997 to 2002 Chair, Animal Care and Facilities Committee
1997 to 2002 Member, Research Advisory Board
1995 to 2020 Mentor, Project SUPER, Douglass Project for Rutgers Women in Math, Science, and Engineering

1991 to 1999 Member, Institutional Review Board for the Care and Use of Animals in Research and Teaching

University (continued)

- 1995 and 1996 Mentor, Rutgers University - Minority Apprenticeship Pre-college Program
1991 Speaker, Rutgers Speakers Bureau Service

School/NJAES

- 1991 to 2020 Member, Agricultural Animal Care Committee, Cook College
1990 to 2013 Interviewer, Cook General Honors Program, Rutgers University
2006 to 2009 Member, Cooperative Education Advisory Committee
1996 to 2008 Member, Planning Committee, Snyder Research and Outreach Farm
2005 to 2007 Member, G.H. Cook General Honors Committee
2001 to 2007 Member, Curriculum and Educational Program Committee
Jan 2006 Academic Presentation: Cook College Leadership Development Program
2000 to 2001 Member, Cook College Council
2000 to 2001 Member, Judicial Panel of the Cook College Faculty Standing Committee
1999 to 2000 Member, Judicial Panel of the Cook College Faculty Standing Committee
1997 to 2000 Member, College Planning Committee
1999 Break-out Session Leader, Academic and Student Affairs Strategic Planning
1998 Chair, Hutcheson Memorial Forest Task Force
1997 to 1998 Member, Judicial Panel of the Cook College Faculty Standing Committee
1989 to 1997 Member, George H. Cook Honors Committee
1997 Faculty Advisor, Cook College Class of 1997
1996 Chair, Research Awards Committee, "Spotlight on Cook College/NJAES"
1995 to 1996 Member, Cook College Council
1995 to 1996 Member, Committee for the evaluation of the quality of student life and the building of a diverse community
1994 to 2021 Associate Director, Center for Wildlife Damage Control
1994 to 1996 Member, Cook/NJAES Biodiversity Initiative
1994 Co-chair, Extension subcommittee, Committee on Wildlife, Fish and Game Management and Conservation
1994 Member, Agenda subcommittee, Committee on Wildlife, Fish and Game Management and Conservation
1994 Chair, Animal Damage Control subcommittee, Committee on Wildlife, Fish and Game Management and Conservation
1994 Member, Committee on Wildlife, Fish and Game Management and Conservation
1994 Chair, Animal Damage Control Center Planning Committee
1991 to 1994 Faculty Advisor, Minorities in Agriculture, Natural Resources and Related Sciences (MANRRS), Cook College, Rutgers University
1990 Member, NJAES Animal Science Working Group on Extension/Research

Department of Animal Sciences

- 2002 to 2008 Department Chair
2001 to 2002 Acting Department Chair
2001 Associate Department Chair
2000-2001 Ad hoc Chair, Dipak Sarkar PII Promotion Committee
2000 Acting Department Chair, as needed
1999 to 2001 Member, Chairperson's Executive Planning Committee
1997 to 1999 Chair, Search Committee, Professor and Department Chairperson
1996 Chair, Faculty retreat to evaluate the undergraduate curriculum

Department of Animal Sciences (continued)

1995 to 1998	Member, Kellogg Foundation Food Science Professions Education Initiative
1995 to 1996	Chair, Department Seminar Committee
1993 to 1996	Chair, Admissions Committee, Graduate Program in Animal Sciences
1989 to 2008	Coordinator, Laboratory Animal Science Option
1990 to 1991	Chair, Large Animal Research Facility Planning Committee
