

## Seminars in Endocrinology and Animal Biosciences – Fall 2009

School of Environmental and Biological Sciences (SEBS) at Rutgers University

Fridays @ 9:15 AM (Pd. 1) in Foran 138A, G.H. Cook Campus ~ *Unless otherwise noted*

Fall 2009 Seminar Series Coordinator: Andre Pietrzykowski (andrep@aesop.rutgers.edu)

Fall 2009	Speaker	Affiliation	Title/Topic	Contact Person
<b>September 14 (Mon)</b> <b>CCC-MPR A, B &amp; C 9:30-12:00</b> <b>Pioneers In Endocrinology</b>	Dr. Louis DePaolo, Branch Chief Dr. Roger Gorski, Dist. Prof. Emeritus Dr. Angela Brodie, Professor	Nat'l Institute of Child Health & Human Development, NIH Lab of Neuroendocrinology, Brain Research Institute, UCLA Dept. of Pharmacology & Exp. Therapeutics, Univ. of Maryland	"A Tribute to RU Alumnus, the Late Charles Barraclough" "Sexual Differentiation of the Brain from Rats to Man" "Steroid Synthesis Inhibitors for Hormone Dependent Cancers"	Carol Bagnell Larry Katz Dipak Sarkar
<b>September 18</b>	Dr. Ronald P. Hart	Professor, Dept. of Cell Biology & Neuroscience, Rutgers Univ., Associate Director, W.M. Keck Center for Collaborative Neuroscience	"New Ago2-Associated MicroRNAs Identified by Deep Sequencing in Human Embryonic Stem Cells"	Andre Pietrzykowski
<b>September 25</b>	Dr. Ann M. Stock	Professor, Dept. of Biochemistry, UMDNJ-RWJMS, Center for Advanced Biotechnology & Medicine	"Regulating Response Regulators"	Andre Pietrzykowski
<b>October 2</b>	Dr. Brian Petroff	Associate Professor, Dept. of Internal Medicine, Univ. of Kansas School of Medicine	"Effects of Chronic AhR Activation in Polluted Environments on Reproductive Aging"	Mehmet Uzumcu
<b>October 7 (Wed)</b> <b>Food Science Auditorium</b> <b>12:30 PM (Pd. 3)</b>	Dr. Phillip Senger & Angela Oki, Ph.D. student	Dept. of Animal Science & Current Conceptions, Inc Washington State Univ.	"Higher Learning @ Higher Speeds Using Time Compressed Animated Delivery (TCAD) in Reproductive Science"	Carol Bagnell
<b>October 16</b>	Dr. Lei Yu	Professor II, Dept. of Genetics, Rutgers Univ.	"Genetic Studies of Compulsive Behavior"	Andre Pietrzykowski
<b>October 23</b>	Dr. C. S. Paulose	Professor & Head, Dept. of Biotechnology, Cochin Univ. of Science & Technology, Director, Centre for Neuroscience, Kerala, India	"Neurotransmitter Receptor Subtypes Functional Regulation and Disease Management: A Molecular Study"	Dipak Sarkar
<b>October 30</b>	Dr. Rajesh Miranda	Associate Professor, Dept. of Neuroscience & Exp. Therapeutics, Texas A&M Health Science Center	"Ethanol Control of MicroRNA Function in Fetal Neural Stem Cells: Uncovering Novel Mechanisms of Teratology"	Andre Pietrzykowski
<b>November 4 (Wed)</b> <b>Food Science Auditorium</b> <b>12:30 PM (Pd. 3)</b>	Dr. Wouter van Hoven	Professor, Dept. of Animal & Wildlife Sciences, Univ. of Pretoria, Director of Centre for Wildlife Management & Ecolife Expeditions, South Africa	"Wildlife Diseases in Africa and the Management Thereof"	Andre Pietrzykowski
<b>November 13</b>	Dr. Marsha E. Bates	Research Professor I, Dept. of Psychology, Rutgers Univ., Center of Alcohol Studies, Associate Professor, Dept. of Psychiatry, UMDNJ-RWJMS	"Early Stage Human Translational Alcohol Research: Implications by Design"	Andre Pietrzykowski
<b>November 20</b>	Dr. Steven Treisman	Professor, Dept of Neurobiology, Director, Institute of Neurobiology, Univ. of Puerto Rico	"The BK Channel: Mediator of Adaption to Drugs and Environment?"	Andre Pietrzykowski
<b>November 27</b>	<b>Thanksgiving Break (November 25–29)</b>			
<b>December 1 (Tue)</b> <b>The Round House</b> <b>11:00 AM (Pd. 2)</b>	Dr. Temple Grandin	Professor, Dept. of Animal Science, Colorado State Univ.	"Animal Handling and Animal Welfare Auditing"	Kathleen Hull (Byrne Seminars), Sarah Ralston Andre Pietrzykowski
<b>December 4</b>	Dr. Linda Brzustowicz	Professor, Dept. of Genetics, Rutgers Univ.	"New Developments in the Genetics of Schizophrenia"	Andre Pietrzykowski
<b>December 11</b>	Dr. Terri Wood	Professor, Dept. of Neurology & Neurosciences, UMDNJ	"New Perspectives on IGF-IR and Insulin Receptor in Mammary Epithelial Cells"	Wendie Cohick
<b>December 18</b>	<b>No seminars – Reading Days (December 14–15); Exams (December 16–23)</b>			
<b>December 25</b>	<b>No seminar – Winter Recess (December 24–January 18)</b>
