

CURRICULUM VITAE

Name: Karyn Malinowski, Ph.D.

Academic Rank: Extension Specialist in Horse Management
(Equivalent to Professor)

Appointment: 80% Extension, 20% Research

Address: Rutgers University
Equine Science Center
ASB II
57 US Hwy 1
New Brunswick, NJ 08901
(732) 932-9419
Malinowski@aesop.rutgers.edu

Citizenship: United States

Academic Degrees:

Ph.D., Rutgers University, New Brunswick, NJ. May 1986. Zoology.

M.S., Rutgers University, New Brunswick, NJ. May 1980. Animal Science.

B.S., Rutgers University, New Brunswick, NJ. May 1975. Animal Science.

Employment History:

Associate Director of the New Jersey Agricultural Experiment Station – July 1, 2002 through present.

Director – Equine Science Center, July 1, 2001 through present.

Director of Rutgers Cooperative Extension – July 1, 2002 through June 30, 2008.

Extension Specialist in Horse Management (equivalent to Professor), Rutgers Cooperative Extension; July 1, 1998 through present.

Interim Department Chair – Department of Agricultural and Resource Management Specialists, July 1 - December 31, 1993.

Associate Extension Specialist in Horse Management (equivalent to Associate Professor), Rutgers Cooperative Extension; July 1, 1988 - 1998.

Assistant Extension Specialist in Horse Management, Rutgers Cooperative Extension; 1978 - 1988.

Honors and Achievements:

Outside Reviewer – University of Kentucky Department of Veterinary Sciences - 2016
Pfizer Innovation Board of Directors - 2012
American Society for Animal Science – Equine Science Award, 2012
LeeAnne Pooler Unsung Hero Award by the US Harness Writers’ Association, 2012
University of Limerick – External Examiner, 2012-15
Governor’s Trophy for Horseperson of the Year, 2009
Outstanding Woman of Somerset County, 2009
Friend of 4-H, 2009
Northeast Extension Directors’ Award of Excellence, 2008
Rutgers Graduate School Lifetime Achievement Award, 2007
Equal Opportunity Award, Rutgers Cooperative Extension, 2001
Outstanding Equine Educator Award, Equine Nutrition and Physiology Society, 2001
American Horse Council Van Ness Award, 2001
Research Excellence and Impact Award, Cook College and NJAES, 2000
Woman of Distinction, Delaware-Raritan Girl Scout Council, 2000
Cook College Outstanding Alumni Award, 1998
Cook College Executive Dean Team Building Award, 1997
New York Farmers Club Award, 1995
Diversity Award, Rutgers Cooperative Extension, 1994
Outstanding Leadership Award, American Youth Horse Council, 1994
Outstanding Service Award, National 4-H Horse Roundup, 1993
FASP leave, January-July, 1992
Outstanding Leadership Award, National 4-H Horse Roundup, 1992
State Equine Chairman of the Year, 1991. Morris Animal Foundation
Leadership Award, American Youth Horse Council. 1990
New Jersey 4-H Educator of the Year, 1984

Journal Articles (Non-Refereed) and Popular Press:

Since 1980 Malinowski has provided over 100 interviews and featured stories with reporters from the printed media such as *The NY Times*, *The Newark Star Ledger* and a variety of popular periodicals such as *Equus*, *HoofBeats*, *The Horse*, *Horse News*, and *The New Jersey Farmer*.

Since 2005 Malinowski has been responsible for producing the Equine Science Center's Annual Report to Stakeholders.

Podcasts:

Equine Athletes Go for the Gold. American Society of Animal Science podcast. August 3, 2012.
<http://takingstock.podbean.com/2012/08/03/equine-athletes-go-for-gold/>

Malinowski was responsible for the production of 14 Podcasts for the Equine Science Center website. January, 2009. <http://esc.rutgers.edu/publications/podcasts.htm>

Videotapes and DVDs:

Orban-Brown, D. and K. Malinowski. 2007. The New Jersey Equine Industry- 2007. Produced by the Equine Science Center.

Malinowski, K. and H. Gilroy. 2000. The Equine Science Center of Excellence at Rutgers University.

Malinowski, K. 1991. Model Horse Farm Safety Video.

Malinowski, K. 1990. Judging 4-H Horse Shows and Competitions.

Malinowski, K., V. Sisco, and V. Abbatiello. 1987. Conformation Evaluation of the Equine Athlete: A Preparation for Judging Contests. Rutgers Cooperative Extension, Rutgers University.

Malinowski, K. 1987. Seasonal Reproduction in Mares. In cooperation with the Standardbred Breeders & Owners Association of New Jersey.

Websites:

Malinowski is responsible for all content on "*Equine Science 4 Kids*," the youth component of the Equine Science Center's website.

Virtual Tours:

Malinowski was responsible for the development of the Equine Science Center's virtual tour series in collaboration with Center faculty and staff. The Ryders Lane Demonstration Horse Farm in collaboration with Carey Williams and Michael Westendorf is the first in the series. January, 2010.

http://www.esc.rutgers.edu/rlp/rl_virtual_tour.htm

Avenatti, R. A., K. H. McKeever, and K. Malinowski. 2010. Virtual Tour of the Equine Exercise Physiology Laboratory. http://www.esc.rutgers.edu/exercphyslab/TreadmillLab_virtual_tour.htm

Webinars:

Physiology of Aging in Horses. March 22, 2011.

The Impact the Demise of Horse Racing in New Jersey will have on You! November 2, 2009.

Media Presentations

News 12 NJ – Summer Showcase, July 8, 2015.

Horse Talk Radio Network – Monthly Program begun in April, 2014.

Public Service Announcement for the Open Space Pace. September 1, 2012.

MyNine News. June 8, 2012.

The Petstop Television Show. News12 NJ. May 23, 2012.

In July, 2010 Malinowski conducted 45 interviews for radio, television and the press on the future of racing in New Jersey.

ESPN. October 16, 2009.

Good Morning America. ABC News. June 5, 2008.

The Petstop Television Show. News12NJ. April 12 and May 17, 2006; April 29, 2007.

Extension Publications (Fact Sheets)

Malinowski has authored over 50 Extension Fact Sheets.

Grants: Led the industry effort which resulted in Cook College and the New Jersey Agricultural Experiment Station receiving in 1992 **\$1.2 million for *Strategic Initiatives*** from the state legislature. This money was awarded to the New Jersey Agricultural Experiment Station annually; (\$900,000 per year) until 2010. The equine science program received **\$300,000** per year from this allotment. In 1997, the excellence of the equine science program was recognized with a **\$267,000** bequest from the Doris C. Murphy estate. Malinowski has also raised in excess of **\$900,000** towards the \$3 million endowment of the Center. In 2013 procured lab equipment and supplies valued at **\$225,000** as a donation from the New Jersey State Police Drug Testing Laboratory.

Endowed Funds: Secured in 2015, **\$835,000** from a bequest to establish the **Gwendolin E. Stableford Endowed Fund for the Equine Science Center**. The bequest gift established an endowed fund to support equine related research at Rutgers, The State University of New Jersey.

External:

Development of Equine Science Web-based Education Program for Youth. Malinowski, K. NJ Department of Agriculture. 2009-2014. \$150,000.

Intensive Nutrient Education Program. Westendorf, M.L., D. Lee, R.C. Mickel, S. Komar, K. Malinowski, and D. Kluchinski. NJ Department of Agriculture. 2009-2013. \$150,000.

Intensive Nutrient Management Education Program. Westendorf, M.L., D. Lee, R.C. Mickel, S. Komar, K. Malinowski, and D. Kluchinski. NJ Department of Agriculture. 2008-2011. \$249,700.

New Jersey Equine Advisory Board, New Jersey Department of Agriculture; to be used for youth development programs. \$12,500 per year, October, 1978 to 1987 totaling \$100,000. 1988-89 \$13,500. 1990-91 \$14,500; 1992-93 \$16,500; 1993-94 \$18,500; 1994-2001 \$16,500 annually, totaling \$132,500.

New Jersey Equine Advisory Board, New Jersey Department of Agriculture for equine research; \$2,000 per year, 1981-1983; totaling \$6,000. 1988-91 \$4,000 per year totaling \$12,000; 1992-2001 \$5,000 per year, totaling \$50,000.

Effects of Exercise and Competition on Plasma Cortisol and Lactate Concentrations and Heart Rate on Polo Ponies. Fellowship, University of Connecticut, 1992.

External Competitive:

Sustainable Pasture Management for Horses. Williams, C.A., D. Foulk, M. Westendorf, D. Kluchinski, R. Mickel, W. Bamka, W. Sciarappa, D. Marshall, A. Burk, E. Petersen, P. Craig, and K. Malinowski. 2004-2007. NESARE (USDA). \$79,100.

Internal Competitive:

Effect of Age and Exercise Training on Immune Function and Plasma Insulin and Glucose in Female Horses. Principal Investigator. State Equine Initiative 2000-20001. \$35,000.

Effect of Exercise Training and Clenbuterol on Immune Function in Standardbred Horses. Principal Investigator. State Equine Initiative 1999-2000. \$55,000.

Effect of Recombinant Equine Somatotropin on Immunocompetence in Aged Horses. Principal Investigator (with David W. Horohov, Louisiana State University). State Equine Initiative 1998-99. \$30,000.

Effect of Exercise on the Immune Response of Aged Mares. Principal Investigator (with David W. Horohov, Louisiana State University). State Equine Initiative 1997-98. \$36,128.

Musculature and Aerobic Capacity in Aging Horses Given Somatotropin for Twelve Weeks; Principal Investigator (with Post-doctoral fellow, R. A. Christensen, S. H. Bokman, K.H. McKeever and H.D. Hafs). State Equine Initiative 1996-97. \$35,000.

Equine Growth Hormone (Somatotropin) in Horses, (1) Effects of Growth, Metabolism and Immunocompetence in Horses; and (2) Control of Secretion; Principal Investigator (with Post-doctoral fellow, R.A. Christensen, H.D. Hafs, S.L. Ralston and C.G. Scanes). State Equine Initiative 1995-96. \$52,750.

Effects of Growth Hormone Releasing Factor and Growth Hormone Secretagogues on Growth Hormone (Somatotropin) Release, Growth, Metabolism and Immunocompetence in Horses; Principal Investigator (with Post-doctoral fellow, R.A. Christensen, H. D. Hafs and C.G. Scanes). State Equine Initiative 1994-95, \$60,000.

Glucocorticoid Induced Immunosuppression in Horses and the Susceptibility to Infection; Principal Investigator (with J.M. Fagan; Ph.D. advisee, Clint Burgher). State Equine Initiative 1993-94. \$25,000.

Effects of the Antigenic Dose and Timing of Equine Viral Rhinopneumonitis Vaccines (Equine herpesvirus) and of Immunological Tolerance (antibody suppression) in Neonates and Young Growing Horses; Principal Investigator. State Equine Initiative 1993-94. \$20,000.

Effect of Steroidal Anti-inflammatory Use on Susceptibility to Infection in Horses; Principal Investigator (with PhD advisee, Clint Burgher). State Equine Initiative 1992-93. \$55,000.

Outside Contracts:

Impact of Equine Operations on the Environment – Education Program. January 2010-December 2013. PI; \$150,000.

Economic Impact of the New Jersey Equine Industry. PI; with Gottlieb and Orban-Brown. 2006. \$35,000. NJ Department of Agriculture.

Economic Impact of the New Jersey Equine Industry. PI; with Gottlieb and Orban-Brown. 2006. \$25,000. NJ Sports and Exposition Authority.

Economic Impact of the New Jersey Equine Industry. PI; with Gottlieb and Orban-Brown. 2006. \$25,000. Standardbred Breeders and Owners Association of New Jersey.

Economic Impact of the New Jersey Equine Industry. PI; with Gottlieb and Orban-Brown. 2006. \$25,000. Thoroughbred Breeders Association of New Jersey.

Effects of Equine Somatotropin (ST) on Body Function, Metabolism, Granulocytosis, and Aerobic Capacity Function in Aging Horses; Principal Investigator (with Post-doctoral fellow R.A. Christensen, K.H. McKeever, S.L. Ralston, and H.D. Hafs. 1996. \$92,590.00. BresaGen Limited.

Effect of Equine Somatotropin on Condition, Metabolism and Immunocompetence in Aging Horses; Principal Investigator (with Post-doctoral fellow R.A. Christensen, S.L. Ralston, H.D. Hafs, and C.G. Scanes) 1995. \$40,000. Bresatec Limited.

Foundation and Industry Support:

More than 50 horses, solicited from New Jersey horse owners and breeders, have been obtained since the start of the New Jersey Agricultural Experiment Station broodmare herd in 1981; valued at **\$100,000.**

2015 Gift from United States Trotting Association for research support. In collaboration with Ken McKeever and George Maylin, SUNY-Morrisville; **\$50,000.**

2011 Sponsorships for the tenth anniversary of the Equine Science Center celebration, **\$100,000.**

2009 Sponsorships for Horses 2009; **\$43,735.**

2008-2015 Donations to the Equine Science Center for the Endowment **\$900,000.**

2007 Sponsorships for Horses: 2007; **\$50,000.**

2003 Sponsorships for Horses: 2003; **\$22,500.**

2003 Donation to the Equine Science Center from Dick Hale; **\$10,000.**

2003 Donation to the Equine Science Center from Dr. and Mrs. William Bauer; **\$10,000**

2003 Donation of four stallion breeding services valued at **\$14,500.**

2002 Bernice Barbour Foundation; **\$6,400.**

2002 Donation to the Equine Science Center from Dr. and Mrs. William Bauer; **\$10,000**

2001 Donation to the Equine Science Center from Dr. and Mrs. William Bauer; **\$10,000**
1996 Grant-in-Aid, BresaGen, Ltd. **\$32,400.**
1995 Procured 25 geriatric mares valued at **\$25,000.**
1995 ESDCTA - **\$500.**
New Jersey Horse Council; \$500 per year, 1981-96; totaling **\$8,000.**
Industry support of the 1991-92 National 4-H Horse Events - **\$46,000.**
New Jersey Department of Agriculture Support of Horse Management Seminar. \$1500 per year 1990-01 totaling **\$18,000.**
1990. American Saddlebred Association of New Jersey - **\$100.00.**
1990. Standardbred Breeders and Owners Association; **\$6,000.**
1990. Boxwood Farm; **\$1,000.**
Industry support of the 1989 American Youth Horse Council Leaders' Symposium - **\$11,000.**
1988. Standardbred Breeders & Owners Association, **\$3,000.**
1986. International Arabian Horse Association, **\$300.**
1981. New Jersey Thoroughbred Breeders Association, **\$500.**

Teaching Assignments

Independent Study Supervised

Advise independent research for 4-6 undergraduate students per semester. (Special Problems in Animal Sciences: 11-067:494-495).

Full member of the Rutgers Endocrinology and Animal Biosciences and Kinesiology and Applied Physiology graduate faculties.

Major professor two Post-doctoral fellows (Charles Kearns and Rial A. Christensen), one Ph.D. candidate (Ryan Avenatti-2014), three masters candidates (Cynthia Betros, Patrick Guirnalda and Christina Russoniello); committee member for six doctoral candidates and six masters candidates. Major professor for five Cook Honors Scholars (Elsa Shock, Penny Rochelle, Lori Flora, Maria Covallesky, and Allison Massenzio).

Developed in 2008 a new two-day Winter Session course entitled "Developing Future Leaders for the Equine Industry". The course is geared toward individuals working to become involved in New Jersey's equine industry. The course is team taught by Malinowski and Emil Sadloch, PTL in leadership development. Topics include the economic value of the equine industry, networking, relationship-building, decision-making strategies, leadership practices and behaviors, building coalitions, and industry management.

Invited Lectures International:

Dorothy Russell Havemeyer Foundation Equine Geriatric Workshop, November 16-19, 2014. HSP70 and HSP90 in whole blood and skeletal muscle in young and aged Standardbred mares. Middleburg, VA.

Ensuring the Well-being of an Aging Equine Population. American Society of Animal Science. 2014 JAM. Kansas City, MO.

World Trotting Conference. August 4, 2011. "Importance of Quantifying the Horse Industry." Jersey

City, New Jersey.

Dorothy Russell Havemeyer Foundation Equine Geriatric Workshop, October 24-27, 2010. "Exercise and Age-Induced Changes in Immune Response are not Altered by Equine Somatotropin Administration in Horses." Cambridge, Massachusetts.

Dorothy Russell Havemeyer Foundation Equine Geriatric Workshop, October 24-27, 2010. "Plasma Beta-Endorphin, Cortisol and Immune Response to Acute Exercise are Altered by Age and Exercise Training in Horses." Cambridge, Massachusetts.

Alberta Horseman's Conference, January 12-13, 2002. Alberta, Canada. "Physiology of Aging in Horses."

American Society of Animal Science Meeting, July 26, 2000. Baltimore, MD. "Changing Needs in Animal Science Extension: How Horses Fit."

Sport Horse Conference. March, 2000. Bonn, Germany. "Physiology of Aging in the Horse."

American Horse Council. September, 1998. Washington, D.C. "State of the Horse Industry: State Horse Councils Committee Symposium."

American Society of Animal Science. July, 1998. Denver, Colorado. "Potential applications for recombinant equine somatotropin for geriatric horses". **Chaired symposium.**

International Livestock Congress. February, 1998. Houston, Texas. "How to Market Yourself in the Horse Industry: a panel of women at the top level of the horse industry."

North American Riding for the Handicapped Association. February, 1997. Atlantic City, New Jersey. "Unbridled Opportunities: Careers in the Horse Industry."

American Society of Animal Science Equine Symposium. Annual Meeting, July 1996, Rapid City, SD. "Survival of Equine Research: Funding Opportunities."

North American Riding for the Handicapped Association. November 15, 1993. Lexington, KY. "Reducing Risk Factors on Horse Farms."

American Horse Council Convention. June 18, 1991. Washington, DC. "Stress Management for Equine Athletes."

Equine Nutrition and Physiology Society Horse Industry Seminar. June 8, 1991. University of Calgary. "Recent Advances in Equine Reproduction."

North American Riding for the Handicapped Association annual meeting. November 1, 1991. Los Angeles, CA. "Stress Management for Equine Athletes."

Invited Lectures National:

National Association of Equine Affiliated Academics. June, 2012. “Using Current Research and Fact Based Literature to Address Emotionally Charged Topics in the Horse Industry.”

Community College of Central Florida. February, 2010. “Physiology of Aging in Horses.”

American Bankers Insurance Company. February 13, 2002. Phoenix, AZ. “Reducing Liability on Horse Farms”.

American Riding Instructor Certification Program. November 1994. Mt. Holly, NJ. “Stress Management for Equine Athletes.”

American Riding Instructor Certification Program. NJ. November 18, 1993. Mount Holly, NJ. “ Stress Management for Equine Athletes.”

American Youth Horse Council Leaders' Symposium. March 2-3, 1991. Pomona, CA. “ Careers in the Horse Industry.”

American Riding Instructors Certification Program. November 15, 1990. Cherry Hill, NJ. “Stress Management in Performance Horses.”

American Youth Horse Council Leaders Symposium. April 21-22, 1990. Madison, Wisconsin. “Stress Management in Performance Horses.”

American Judging Association East Coast Horse Judging Seminar. February 2-4, 1990. Cherry Hill, NJ. "Judging 4-H Horse Shows and Competitions.”

Tennessee Walking Horse Breeders & Exhibitors Seminar. January, 1988. Cook College, New Brunswick. "Hormonal Control of the Estrous Cycle in Mares.”

Invited Lectures Regional/State:

Mid-Atlantic Nutrition Conference. April 6, 2017. “Physiology of Aging in Horses.” Hunt Valley, MD.

Meadowlands Chamber of Commerce. October 14, 2016. “Importance of the Equine Industry to New Jersey.” Hackensack, NJ.

Colonel Henry Rutgers Society. May 17, 2013. “Rutgers Equine Science Center: Perfect for New Jersey and Beyond.” New Brunswick, NJ.

Philadelphia Society for Promoting Agriculture. May 2, 2013. “*Equine Science 4 Kids*, and the Young at Heart.” Philadelphia, Pennsylvania.

Rutgers ACE Women’s Network. March 27, 2013. “Road to Becoming a Leader in Equine Science.” New Brunswick, NJ

University of Pennsylvania Veterinary Club. November 26, 2012. “Using Science-based facts and

Literature to Address Controversial Issues.” Philadelphia, PA.

Raritan Valley Institute of Management Accountants. May 17, 2012. “Value of the New Jersey Horse Industry.” Somerset, New Jersey.

Pennsylvania Horse Conference. March 14, 2012. “Importance of Quantifying the Impact of the Horse Racing Industry: Challenges for Sustainability.” Harrisburg, PA.

Careers Summer Institute. July 12, 2011. “Careers in Equine/Animal Sciences.” New Brunswick, NJ.

New Jersey Gaming Industries Forum. March 31, 2011. “Impact of the Horse Racing Industry in New Jersey and the Preservation of Traditional Agriculture and Open Space.” Hall Institute of Public Policy, Newark, NJ.

Monmouth County Greentable. March 1, 2011. “Why Horse Racing is Critical to Monmouth County.” Manalapan, NJ.

State of New Jersey Legislative Gaming Summit. September 29, 2010. “Impact of the Horse Racing Industry in New Jersey and the Preservation of Traditional Agriculture and Open Space.” East Rutherford, NJ.

Racing Summit – Perretti Farms. September 27, 2010. “Impact of the Horse Racing Industry in New Jersey and the Preservation of Traditional Agriculture and Open Space.”

Hunterdon County Business Association. July 28, 2010. “Impact of the Horse Racing Industry in New Jersey and the Preservation of Traditional Agriculture and Open Space.”

Douglass Women in Science Lecture. November 21, 2009. “Women in Animal Sciences.” New Brunswick, NJ.

Centenary College. November 12, 2009. “Careers in Equine Science.” (This is an annual lecture).

Annual Horse Symposium. October 28, 1989. Stony Brook, Long Island, NY. "Effects of Exercise & Training/Management Practices on Stress Levels in Horses."

Standardbred Breeders and Owners Association Symposium. July 6, 1989. Freehold Raceway, Freehold, NJ. "Effects of Weaning on Stress Levels in Mares and Foals."

New Jersey Saddlebred Horse Association. February, 1988. Pittstown, NJ. "Stress Management of Horses in Training."

Equus Exposition at Garden State Racetrack. October, 1987. Cherry Hill, NJ. "Equine Reproductive Physiology."

Standardbred Breeders and Owners Association Seminar. July, 1987, Cook College, New Brunswick. "Seasonal Reproduction in Horses."

Princeton Agricultural Association. September, 1986. Pennington, NJ. "The Equine Industry in New Jersey: An Overview."

New Jersey Horse Council Horse Management Seminar. February 1986. Cook College, New Brunswick. "Artificial Control of the Estrous Cycle in Mares."

Service to Professional Organizations:

Board of Directors, Equine Science Society, 2013-ongoing
Member, Rutgers University President's Council – 2013-ongoing
Member Program Committee – FAIR 2012
External Examiner, University of Limerick. 2011-2015.
External Examiner, Ph.D. thesis defense, Bronwynne L. Winton. 2008. A Unique Rurality: Exploring the role of the Horse Farm in the Post-Productivist Rural Landscape. University of Guelph.
Member of the Extension Committee on Organization and Policy (ECOP) for NASULGC. 2002-2008.
Chair, ECOP Personnel Sub-committee. 2006.
Scientific Review Member – Horses and Humans Research Foundation 2008-present
Member ASAS journal review panel, endocrinology and physiology section
Member, Board of Directors, Horse Industry Alliance, 1999-2002.
Chair, American Society of Animal Science Horse Program, 1998.
Chair, American Horse Council State Horse Council Committee, 1996-2000.
Board of Directors, Equine Nutrition & Physiology Society, 1995-01
Program Committee, Horses: American Society of Animal Science, 1995.**Chair-1998**
President, American Youth Horse Council, 1992-94.
Member National 4-H Horse Roundup Committee
Co-chair the Eastern National 4-H Horse Bowl.
Chair, Eastern National 4-H Horse Roundup, 1991-1992.
Chair, Extension Symposium, American Society of Animal Science, Annual Meeting, 1992.
Chaired the 1989 American Youth Horse Council Leaders Symposium.
Serve on Horse Industry Handbook (USDA) Committee.
Chair Reproductive Physiology Section.
Chair 1988 American Society of Animal Science Meeting Reception Committee.
Chair New Jersey equine sector for Morris Animal Foundation for Animal Research.
Elected to Board of Directors of NARHA (North American Riding for Handicapped Association) 1992.

Membership in Professional Societies:

American Society of Animal Science
American Horse Council (chair State Horse Councils Committee 1996-1998)
American Youth Horse Council (President 1992-1994)
Epsilon Sigma Phi, National Honorary Extension Fraternity
Equine Science Society (member board of directors)
Morris Animal Foundation
National 4-H Horse Roundup
New Jersey Specialists' Association - past president
Treasurer, Epsilon Sigma Phi, Alpha Xi Chapter (1988-1989)

Karyn Malinowski, Ph.D. 22

Vice President, Epsilon Sigma Phi, Alpha Xi Chapter (1990)
United States Trotting Association
North American Riding for the Handicapped Association
Philadelphia Society for Promoting Agriculture (executive committee 2011-ongoing)

REV. 11/17
