

Seminars in Endocrinology and Animal Biosciences - Fall 2020

Virtual on Zoom or WebEx at 9:15 am on Fridays

Date	Speaker	Affiliation	Title/Topic	Contact Person
Sept. 11	Nathan Smith	Assistant Professor, Children's National Hospital, George Washington University	Calcium Independent Astrocytic Lipid Release Modulates Neuronal Activity through Kv Channels	Troy Roepke
Sept. 18				
Sept. 25	Melissa Davis	Assistant Professor, Cell & Developmental Biology, Weill Cornell Medicine	Disparities in Cancer Outcomes - in the COVID-19 Era	Aparna Zama
Oct. 02	Lynda McGinnis	Assistant Professor, Dept of OB/Gyn, USC	Long-term Chemotherapeutics Impact On Female Reproduction	Aparna Zama
Oct. 09				
Oct. 16	Sally Radovick	Professor and Henry Rutgers Term Chair, Dept of Pediatrics, RWJ Medical School	The Molecular Basis of Hypogonadism	Carol Bagnell
Oct. 23	Xu Wang	Assistant Professor of Comparative Genomics, Auburn University	Epigenetic Regulation of X inactivation in the Placenta - a Comparative Genomic Perspective	Carol Bagnell
Oct. 30	Rebecca Shansky	Associate Professor, Dept. of Psychology, Northeastern University	A Neural Basis for Sex Differences in Fear Responding	Troy Roepke
Nov. 06	Lisa Vrooman	Postdoctoral Fellow, Dept. of Cell and Developmental Biology, University of Pennsylvania	Abnormal Placentation after In Vitro Fertilization: Insights from a Mouse Model	Beth Snyder
Nov. 13	Christoph Buettner	Chief of Endocrinology, Vice Dean of Research, RWJ Medical School	A Physiological Role of Hypothalamic Inflammation in Counterregulation	Troy Roepke
Nov. 20	Morgan James	Assistant Professor, Dept of Psychiatry, RWJ Medical School	The hypothalamic orexin/hypocretin system and motivational disorders: Towards novel therapies	Troy Roepke
<i>No seminar - Thanksgiving Break (November 26 - 29, 2020)</i>				
Dec. 04	Eli Berger	Doctoral Candidate, Endocrinology and Animal Biosciences	Chemogenetic Manipulation of Orexin Neuronal Activity in Binge-like Eating	Nicholas Bello
<i>Reading Day- Dec. 11th & 14th (Friday and Monday); Exams (Dec 15 - 22) No Seminars - Winter Recess (Dec. 22nd - Jan. 15th.) contact spring seminar speakers</i>
